

**REMARKS**

An Office Action was mailed on April 19, 2005. Claims 1-5 and 7-13 are pending.

Applicant wishes to thank the Examiner for her time in conducting a personal interview on July 20, 2005.

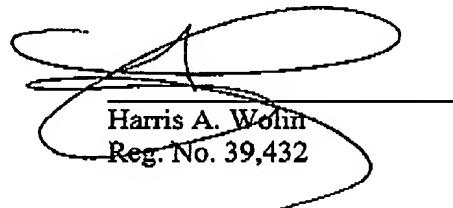

Claims 8 and 10 are rejected under 35 U.S.C. §102(b) as being anticipated by Hwang (U.S. Patent 5,381,576), while claims 8 and 13 are rejected under 35 U.S.C. §102(b) as being anticipated by Spohr (U.S. Patent 3,379,906). In addition, claims 1-5 and 7 are rejected under 35 U.S.C. §103(a) as being unpatentable over Spohr '906 in view of Monroe et al. (U.S. Patent 3,551,931).

Responsive thereto, Applicant has amended the claims to require that the second cam device is non-rotational. As discussed during the Interview, Applicant believes that such amendment overcomes the prior art rejections of record.

In view of such amendment, it is believed that claims 1-5 and 7-13, consisting of independent claims 1 and 8 and the claims dependent therefrom, are in condition for allowance. Passage of this case to allowance is earnestly solicited. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Any fee due with this paper may be charged on Deposit Account 03-2455.

Respectfully submitted,

Harris A. Wolin  
Reg. No. 39,432
